

The Early Career Investigator Award in Pulmonary Vascular Disease **Steering Committee**

Biography

Harold I. Palevsky, MD

Professor of Medicine

Perelman School of Medicine of the University of Pennsylvania

Chief, Pulmonary, Allergy and Critical Care

Director, Pulmonary Vascular Disease Program

Penn Presbyterian Medical Center

Philadelphia, Pennsylvania

Harold I. Palevsky, MD, is a Professor of Medicine at the Perelman School of Medicine of the University of Pennsylvania. He is also Chief of the Pulmonary, Allergy and Critical Care Division and Director of the Pulmonary Vascular Disease Program at the Penn Presbyterian Medical Center in Philadelphia. The Pulmonary Vascular Disease Program is a multi-disciplinary program focusing on the diagnosis and treatment of pulmonary vascular disease, pulmonary arterial hypertension, and pulmonary thromboembolic disease, both acute and chronic.

Dr. Palevsky earned a medical degree from the Medical College of Virginia. He completed an internship and residency in internal medicine, and a fellowship in pulmonary and critical care medicine at the Hospital of the University of Pennsylvania, where he worked with Alfred P. Fishman, MD.

His clinical and research interests include unexplained dyspnea, pulmonary vascular disease, pulmonary hypertension, and thromboembolic disease. Dr. Palevsky has been published in numerous peer-reviewed journals, including the *Annals of Internal Medicine*, *JAMA*, and *Circulation*. He has been recognized as one of Philadelphia's "Top Docs" and is included in national lists such as "The Best Doctors in America" and the "Guide to America's Top Physicians."
