

# The Early Career Investigator Award in Pulmonary Vascular Disease **Steering Committee**

## Biography

### Jason X-J Yuan, MD, PhD

Professor and Director - Section of Physiology  
Division of Pulmonary, Critical Care and Sleep Medicine  
Department of Medicine  
University of California, San Diego  
La Jolla, CA

Dr. Yuan received his medical school training at Suzhou Medical College (China), his PhD at Peking Union Medical College (China), and his postdoctoral training at the University of Maryland School of Medicine. His pulmonary vascular disease research propels the field on pathogenic roles of membrane receptors and ion channels in the development of pulmonary arterial hypertension and provides a new research direction for developing therapeutic approaches for the disease.

Dr. Yuan is a Fellow of the American Heart Association, the American Association for the Advancement of Science, and the American Physiological Society. He is an elected Member of the American Society for Clinical Investigation and the Association of American Physicians. Dr. Yuan has served on many advisory committees and editorial boards, including Chair of the Respiratory Integrative Biology and Translational Research study section of the National Institutes of Health (NIH) and Chair of the Pulmonary Circulation Assembly of the American Thoracic Society. He is currently Editor-in-Chief of the journal Pulmonary Circulation, Associate Editor of the American Journal of Physiology-Cell Physiology, and a regular member of the NIH Vascular Cell and Molecular Biology study section.
